DECLARATION OF EMILY S. DIBENEDETTO

I, Emily S. DiBenedetto, declare and state as follows:

1. I am an attorney with the law firm of Shaw Keller LLP, counsel for Autonomous Devices LLC (“AD”). I make this declaration in support of AD’s Opening Letter Brief (D.I. 61) (“Opening Brief”) and to record the chain of custody of the Tesla documents submitted to the Court *in camera*.
2. As described in the Notice of Lodging (D.I. 62), the restrictions Tesla, Inc. (“Tesla”) placed on these documents precluded AD from electronic transmission or submission of Exhibits I, J, K, and L to the Opening Brief.
3. A member of the Shaw Keller staff received a package containing the documents from a delivery person at Shaw Keller LLP’s office on August 10, 2023.
4. I opened the package containing the documents, inspected their contents for completeness, and observed that the documents indicated that they had been printed with heat sensitive ink. I repackaged the documents and hand delivered them to the Clerk of the Court on August 10, 2023.

5. Later the same day, Tesla's Delaware counsel indicated that Tesla did not object to the use of a third-party vendor, Parcels, to deliver those documents to the Court. At that time, I had already delivered them to the Court myself so the use of the vendor was no longer necessary.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Executed on this 11th day of August, 2023.

Respectfully,

/s/ Emily S. DiBenedetto
